How I got involved in this work

I was attracted by the way the sisters prayed together and helped the marginalized people in our communities. I was so excited at the thought of joining a community where I could be that close to poor people and make a positive impact in their lives.

I want to improve the lives of the disadvantaged and vulnerable individuals, like Junior.

THE MAGNITUDE OF THE PROBLEMS

- ❖ **During the 2022/23, more than 7.7 million people, faced food insecurity.**
- ❖ **About 3.5 million children suffer from chronic hunger.**
- ❖ **Over 67% of Zimbabwe's school children do not have access to Education**

- ❖ **42% of Zimbabwe's population lives in extreme poverty**
- ❖ **26.7% of children have stunted growth**
- ❖ **95% of the population is unemployed**
- ❖ **16,3 million people in Zimbabwe**
- ❖ **With approximately 74% of the population living on less than \$5.50 a day**

The situation for poor children is deeply disturbing

- ❖ **4.8 million children live in poverty, with 1.6 million of them facing extreme poverty.**
- ❖ **The most pressing issues for poor children include malnutrition, education, health, sanitation, and access to clean water.**
- ❖ **No access to education, they have no school fees, uniforms, and textbooks.**
- ❖ **Malaria affecting children under five.**

HOW THE CJS ARE MAKING AN IMPACT WITH YOUR DONATION

- ❖ **Junior's story** is one of the **62 children** at **Mary Ward Children's Home** where your donation feed, educate, clothe, give shelter and medication, etc.
- ❖ Your donation **saved lives**, about **64,800 patients** received health services at our clinics **St Joseph clinic, Chishawasha and St Padre Pio Poly Clinic** in **Norton**
- ❖ Your huge donation for the building of **Mary Ward High School** have impacted **510 direct Beneficials** and **2 000 indirect Beneficials**
- ❖ This past year, we have impacted about **1 800 pupils** through **education**.

Your support has made a huge difference in the lives of many people in need.

- ❖ Through your donation, we were able to feed **320 students at Nesigwe Secondary School** for the whole year people.
- ❖ Thanks to your donation, we were able to send **11 poor children** from the community to school and to **2 poor children to the university** for a year.
- ❖ Thanks to your donation, we were able to **provide clean water** to Amaveni Community

These are some of the success stories that were possible because of your kindness and generosity.

Our goal/vision

This year the need has grown because of the severe drought that has devastated our communities, leaving families without access to clean water, food, and basic needs.

- ❖ Our vision is to see **100%** of the poor people have **access to clean water**
- ❖ Our vision is to see **100%** of our institutions have **access to solar power**
- ❖ Our goal is to continue feeding, clothing, educating **62 children at Mary Ward Children's Home.**
- ❖ We envision a High School where learners **have access to a library**

- ❖ Our vision is to build a **3rd block for form 5 and 6** at Mary Ward High School
- ❖ Our vision is to see **100%** of the poor people have **access to health services**
- ❖ Our vision is to purchase a **small bus to transport** our children to and from school every day.
- ❖ Our vision is to end hunger for all **320 students at Nesigwe Secondary School**
- ❖ Our goal is **to end illiteracy** among the poorest people
